ICOM®

February 2004

Valued Customers,

This is our first attempt at making available to you a wider range of quality products, many of them new or nearly new. We offer these products with our comprehensive thirty day replacement policy and in many cases extended factory depot warranty. Unless otherwise specified, all items have been bench tested and are sold in working condition complete with accessories (see list below). Listed below are some of the policies and rules which apply.

1. **EQUIPMENT AVAILABILITY**-The list is updated once per week in all three Metrocom locations. All items are subject to availability and prior sale. Please call, fax or preferably email us with your needs and requirements.
2. **TERMS**-unless otherwise agreed to, all orders are COD. Credit terms will be extended at our discretion to organizations and government entities.
3. **SHIPPING**-unless otherwise specified the prices quoted do not include shipping or delivery.
4. **WARRANTIES**-As indicated with each individual item or as specified at the time of sale. Metrocom is authorized to perform warranty service for Motorola, Kenwood, Vertex and Icom. Most equipment can be returned for exchange or refund within thirty days.
5. **ACCESSORIES**-for mobiles they consist of microphone and hang up clip, mounting bracket, power cable, remote control group (if applicable), mounting bracket. Antennas are not included and are available separately. For portables the accessories include antenna, rechargeable battery, belt clip or holster and charger. New accessories, when supplied, are covered by a one year replacement warranty.
6. **PROGRAMMING/ALIGNMENT**-a maximum of four channels will be programmed in mobile and hand held equipment . A form listing frequencies and codes giving Metrocom the authorization to program and align equipment must be completed by the customer.
